## Our History...

*Friends of Deer Flat Wildlife Refuge* became a 501(c)(3) in 2006. Membership is open to all who believe in the importance of accessible outdoor space in our technology-driven world.

Through grants we were able to:

- build and install a permanent bird blind, *The Coop*, located at water's edge just below (east of) the Visitor's Center
- create a Centennial Trail that documents the history of *Deer Flat National Wildlife Refuge* and
- establish an on-site Nature store, *The Grebe Nest*.

## Our Future...

We remain committed to connecting families with nature. We will continue to work to make *Deer Flat Refuge* accessible to all and provide learning opportunities through events, workshops, improvements and social media. There's always room for one more—*become a Friend today!*
